Important things first

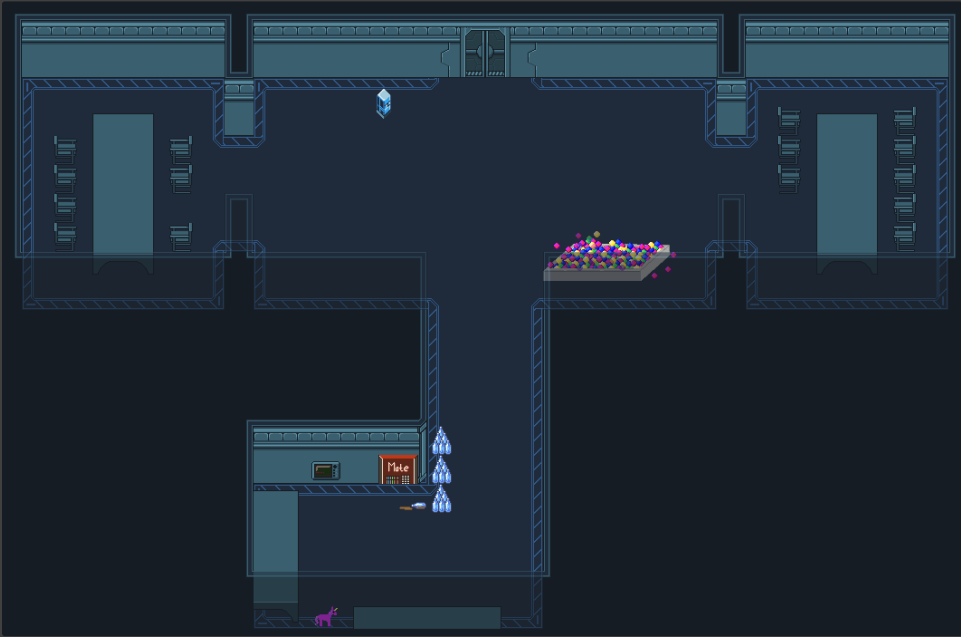

- Pizza's will arive at about 8:00 PM.
- Drinks and snacks in the kitchen.

We also have vegetarians covered. ;)

What will be doing today?

- We have a digital playfield
- and a story with riddles
- and some rules

Rules

- During the event, don't enter one of the folders of the GitHub Repository.
 - Only the solutions.yaml is the important file for you.
 - Also browsing the javascript sources in the dev tools is not allowed.
- All riddles will affect the whole spaceship
 - When a riddle is solved every player will see a challanges
- Have fun

Tutorial
